

This is in response to Office Action dated February 10, 2014.

Applicant respectfully informs the Examiner that the goods covered by Japanese Registration No. 4839497 are extremely broad and the goods "Electronic machines, apparatus and their parts" covers all those goods recited in Class 9 of Application Serial No. 76/713,112. For the Examining Attorney's reference, attached are photocopies of the pertinent pages from the 8th Revision of the goods and services guidelines provided by the Japan Patent Office which includes a detailed list of goods in Class 9 identified as 11C01. Please note, on page 2 of said attachment, that "Computer programs" are included under "Electronic machines, apparatus and their parts." Accordingly, the goods listed in Class 9 in Application Serial No. 76/713,112 should be included under "Electronic machines, apparatus and their parts."

It is respectfully submitted that Application Serial No. 76/713,112 is in condition for approval of registration and such is requested.
